Dear Sir:

This paper is submitted in response to the non-final office action dated April 29, 2004 in which the Examiner rejected all pending claims 1-42 under the judicially created doctrine of obviousness-type double patenting and as obvious (35 U.S.C. §103) over prior art. Applicants submit herewith a terminal disclaimer and traverse the obviousness rejection over the cited art. Applicants submit that all pending claims 1-42 are patentable over the cited art and in condition for allowance for the reasons discussed herein.

Remarks/Arguments begin on page 2.
